Parking: To alleviate past parking issues please observe the following guidelines:

- If you are attending the AM Junior & Senior games and you have no participants in the PM session, please vacate as soon as possible.
- PM Session, Midgets & PeeWees, please do not arrive more than 1 hour prior to your game time, this will allow more parking availability as the AM session participants will have vacated the parking areas.
- There are no accommodations for RV's. Parking is a premium.

Burlington Police will be ticketing/towing those vehicles illegally parked. Following the simple guidelines will allow plenty of parking for all.
